

Author Index

Volume 118 (2003)

- Acosta, Josephine:** see Sipan
Adams, Marc: see Sipan
Ananeh-Firempong, Owusu, II: see Betancourt
Andersen, Ronald: see Herndon
Anderson, Ann C.: see Sarpy
Arrom, Jose O.: see Giachello
Asch, Steven M.: see Herndon
Astone, Janetta: see Strauss
Bazerman, Lauri B.: see Reichard
Beal, Anne C., Karen Kuhlthau, and James M. Perrin: Breastfeeding advice given to African American and white women by physicians and WIC counselors, 368-76 (Research Article)
Beaulieu, Joyce, F. Douglas Scutfield, and Ann V. Kelly: Content and criterion validity evaluation of national public health performance standards measurement instruments, 508-17 (Research Article)
Beers, Nathaniel S., Alexa Kemeny, Lon Sherritt, and Judith S. Palfrey: Variations in state-level definitions: children with special health care needs, 434-47 (Research Article)
Belay, Ermas D., Robert C. Holman, Ryan A. Maddox, David A. Foster, and Lawrence B. Schonberger: Kawasaki syndrome hospitalizations and associated costs in the United States, 464-9 (Research Article)
Berkelman, Ruth: see Greensides
Betancourt, Joseph R. and Roderick K. King: Unequal Treatment: the Institute of Medicine report and its public health implications, 287-92 (Guest Editorial)
Betancourt, Joseph R., Alexander R. Green, J. Emilio Carrillo, and Owusu Ananeh-Firempong II: Defining cultural competence: a practical framework for addressing racial/ethnic disparities in health and health care, 293-302 (Feature Article)
Bi, Peng, Shilu Tong, Ken Donald, Kevin A. Parton, and Jinfa Ni: Climatic variables and transmission of malaria: a 12-year data analysis in Shuchen County, China, 65-71 (Research Article)
Bigby, JudyAnn, Linda K. Ko, Natacha Johnson, Michele M.A. David, and Barbara Ferrer: A community approach to addressing excess breast and cervical cancer mortality among women of African descent in Boston, 338-47 (Practice Article)
Bloch, Alan B.: see Smith
Blumberg, Elaine: see Sipan
Boulware, L. Ebony, Lisa A. Cooper, Lloyd E. Ratner, Thomas A. LaVeist, and Neil R. Powe: Race and trust in the health care system, 358-65 (Research Article)
Brickner, Philip W., Richard L. Vincent, Melvin First, Edward Nardell, Megan Murray, and Will Kaufman: The application of ultraviolet germicidal irradiation to control transmission of airborne disease: bioterrorism countermeasure, 99-114 (Practice Article)
Browne, Marilyn L., Elizabeth L. Lewis-Michl, and Alice D. Stark: Unintentional drownings among New York State residents, 1988-1994, 448-58 (Research Article)
Browne, Marilyn L., Elizabeth L. Lewis-Michl, and Alice D. Stark: Watercraft-related drownings among New York State residents, 1988-1994, 459-63 (Research Article)
Brugge, Doug: see Lee, T.
Burke, Taylor: see Rosenbaum
Burt, Bryan M., Caroline Volel, and Madelon Finkel: Safety of vendor-prepared foods: evaluation of 10 processing mobile food vendors in Manhattan, 470-6 (Research Article)
Carrillo, J. Emilio: see Betancourt
Chang, Hong-Jen: see Chen
Chang, Rowland W.: see Feinglass
Chauvin, Sheila W.: see Sarpy
Chen, Jarvis T.: see Krieger
Chen, Kow-Tong, Shing-Jer Twu, Shu-Ti Chiou, Wen-Harn Pan, Hong-Jen Chang, and Mary K. Serdula: Outbreak of beriberi among illegal mainland Chinese immigrants at a detention center in Taiwan, 59-64 (Research Article)
Chen, Kow-Tong, Wei J. Chen, Josephine Mallay, and Shing-Jer Twu: The public health response to the Chi-Chi earthquake in Taiwan, 1999, 493-9 (Research Article)
Chen, Wei J.: see Chen, K.-T.
Chiou, Shu-Ti: see Chen
Chu, Bong-Chul: see Myerson
Colton, Tayla C.: see Rudd
Cooper, Lisa A.: see Boulware
Crocco, Todd J.: see FitzGerald
Cui, Kate: see Dilraj
Curran, Laura Kresch: see Newschaffer
Curtis, Gerald B.: see Roberts
Das, Joshua K.: see Rudd
David, Michele M.A.: see Bigby
Davis, Margaret: see Giachello
Day, Gretchen Ehlsam and Anne P. Lanier: Alaska Native mortality, 1979-1998, 518-30 (Research Article)
DeJong, William: see Rudd
Demasio, Kafui A.: The complexity of finding solutions to reducing racial/ethnic disparities in health care outcomes, 348 (Commentary)
Des Jarlais, Don C.: see Strauss
Dilraj, Athmanundh, Judeth Strait-Jones, Marcia Nagao, Kate Cui, Steven Terrell-Perica, and Paul V. Effler: A statewide Hepatitis B vaccination program for school children in Hawaii: vaccination series completion and participation rates over consecutive school years, 127-33 (Research Article)
Donald, Ken: see Bi
Effler, Paul V.: see Dilraj
Elifson, Kirk W.: see Theall
Eshman, Kristin: see Trauth
Etienne, Marc: see Telfair
Fedor, Kim: see Trauth
Feinglass, Joe, Cynthia Nelson, Timothy Lawther, and Rowland W. Chang: Chronic joint symptoms and prior arthritis diagnosis in community surveys: implications for arthritis prevalence estimates, 230-9 (Research Article)
Ferrer, Barbara: see Bigby
Fertman, Carl: see Trauth
Finkel, Madelon: see Burt
First, Melvin: see Brickner
Fisher, Opal: see Lee, T.
FitzGerald, Denis J., Matthew D. Sztajnkrzyer, and Todd J. Crocco: Chemical weapon functional exercise—Cincinnati: observations and lessons learned from a "typical medium-sized" city's response to simulated terrorism utilizing weapons of mass destruction, 205-14 (Practice Article)
Flessa, James: see Martin
Foster, David A.: see Belay
Francis, Charlene: see Lee, T.
Franks, Marcia L.: see Pestronk
Friedman, Lawrence: see Sipan
Gallagher, Jere: see Trauth
Gelberg, Lillian: see Herndon
Giachello, Aida L., Jose O. Arrom, Margaret Davis, Judith V. Sayad, Dinah Ramirez, Chandana Nandi, and Catalina Ramos: Reducing diabetes health disparities through community-based participatory action research: the Chicago Southeast Diabetes Community Action Coalition, 309-23 (Practice Article)
Gilbert, Gregg H., John S. Rose, and Brent J. Shelton: A prospective study of the validity of self-reported use of specific types of dental services, 18-26 (Research Article)
Gimarc, Jerry Dell: see Richter
Gjelsvik, Annie: see Pearlman
Glanz, Karen: see Hall

- Gostin, Lawrence O. and James G. Hodge:** Public health emergencies and legal reform: implications for public health policy and practice, 477-9 (Law and the Public's Health)
- Green, Alexander R.:** The human face of health disparities, 303-8 (Photo Essay)
- Green, Alexander R.:** see **Betancourt**
- Greensides, Dawn R., Ruth Berkelman, Amy Lansky, and Patrick S. Sullivan:** Alternative HIV testing methods among populations at high risk for HIV infection, 531-9 (Research Article)
- Halcón, Linda L.:** see **Raymond**
- Hall, H. Irene, Mona Saraiya, Trevor Thompson, Anne Hartman, Karen Glanz, and Barbara Rimer:** Correlates of sunburn experiences among U.S. adults: results of the 2000 National Health Interview Survey, 540-9 (Research Article)
- Hammett, Theodore M.:** see **Reichard**
- Haque, Akhlaque:** see **Telfair**
- Hartman, Anne:** see **Hall**
- Henningens, Gerry:** see **Lanphear**
- Herndon, Brooke, Steven M. Asch, Amy M. Kilbourne, MingMing Wang, Martin Lee, Suzanne L. Wenzel, Ronald Andersen, and Lillian Gelberg:** Prevalence and predictors of HIV testing among a probability sample of homeless women in Los Angeles County, 261-9 (Research Article)
- Hodge, James G.:** see **Gostin**
- Holman, Robert C.:** see **Belay**
- Hotez, Peter J.:** Erosion of William Henry Welch's concept of the hygienic laboratory in our nation's schools of public health and medicine, 184-6 (Viewpoint)
- Hovell, Melbourne:** see **Sipan**
- Hulsey, Thomas C.:** see **Roberts**
- Hyde, James:** see **Rudd**

Subject Index

Volume 118 (2003)

ACCESS TO CARE

See also HEALTH DISPARITIES

More American children received health insurance in early 2002, 166 (News and Notes)

Almost one in three non-elderly Americans uninsured for all or part of 2001–2002, 382 (News and Notes)

Health consequences of lack of health insurance, 382 (News and Notes)

Community consequences of lack of health insurance, 382-3 (News and Notes)

ADOLESCENTS

See also CHILDREN

Survey finds decrease in use of certain drugs by nation's youth, 76 (News and Notes)

Radio Daze: young people targeted by alcohol ads, 383 (News and Notes)

Screening Latino adolescents for latent tuberculosis infection (LTBI), 425-33 (Research Article)

ADVERTISING

Radio Daze: young people targeted by alcohol ads, 383 (News and Notes)

AFRICAN AMERICANS

See also RACE/ETHNICITY

A partnership to reduce African American infant mortality in Genesee County, Michigan, 324-35 (Practice Article)

A community approach to addressing excess breast and cervical cancer mortality among women of African descent in Boston, 338-47 (Practice Article)

The complexity of finding solutions to reducing racial/ethnic disparities in health care outcomes, 348 (Commentary)

Examining African Americans' mistrust of the health care system: expanding the research question, 366-7 (Commentary)

AGENCY FOR HEALTHCARE RESEARCH AND QUALITY (AHRQ)

Infants discharged one day after birth do as well as those with longer hospital stays, 165 (News and Notes)

AHRQ data shows that people with chronic conditions continue to smoke, 165 (News and Notes)

AGING

Medicare reform, 162-4 (Law and the Public's Health)

Chronic joint symptoms and prior arthritis diagnosis in community surveys: implications for arthritis prevalence estimates, 230-9 (Research Article)

Future shortages in long-term care, 480 (News and Notes)

AGRICULTURE

Link between agricultural pesticides and incidence of prostate cancer, 481 (News and Notes)

AIDS: see HIV/AIDS

ALCOHOL ABUSE

Radio Daze: young people targeted by alcohol ads, 383 (News and Notes)

Watercraft-related drownings among New York State residents, 1988–1994, 459-63 (Research Article)

ALTERNATIVE MEDICINE: see COMPLEMENTARY AND ALTERNATIVE MEDICINE

AMERICAN PUBLIC HEALTH ASSOCIATION (APHA)

APHA calls for increases in funding for the nation's public health system, 480 (News and Notes)

ARSENIC POISONING

The effect of soil abatement on blood lead levels in children living near a former smelting and milling operation, 83-91 (Feature Article)

ARTHRITIS

Chronic joint symptoms and prior arthritis diagnosis in community surveys: implications for arthritis prevalence estimates, 230-9 (Research Article)

ASIAN AMERICANS

Asthma prevalence among inner-city Asian American schoolchildren, 215-20 (Research Article)

ASSOCIATION OF SCHOOLS OF PUBLIC HEALTH (ASPH)

Mutual exchanges support academic and community collaboration, 80-2

Developing an academic-community partnership in the context of Pennsylvania's State Health Improvement Plan, 169-74

Teaching ethics in schools of public health, 279-86

Implementing community-campus partnerships in South Carolina: collaborative efforts to improve public health, 387-91

An evaluation of state perinatal community-based programs in Alabama: an overview, 484-6

Evaluation of the effectiveness of the South

Central Center for Public Health Preparedness Training, 568-72

ASTHMA

Asthma prevalence among inner-city Asian American schoolchildren, 215-20 (Research Article)

AUTISM

Autism: an emerging public health problem, 393-9 (Viewpoint)

BERIBERI

Outbreak of beriberi among illegal mainland Chinese immigrants at a detention center in Taiwan, 59-64 (Research Article)

BIOTERRORISM

Epidemiologic clues to bioterrorism, 92-8 (Practice Article)

The application of ultraviolet germicidal irradiation to control transmission of airborne disease: bioterrorism countermeasure, 99-114 (Practice Article)

U.S. confusion about smallpox, 165 (News and Notes)

Chemical weapon functional exercise—Cincinnati: observations and lessons learned from a "typical medium-sized" city's response to simulated terrorism utilizing weapons of mass destruction, 205-14 (Practice Article)

FDA issues new security guidance: Operation Liberty Shield, 276-7 (News and Notes)

Public health emergencies and legal reform: implications for public health policy and practice, 477-9 (Law and the Public's Health)

BOATING SAFETY: see WATER SAFETY

BOOK REVIEWS

Review of Tickner, ed., *Precaution, Environmental Science and Preventive Public Policy*, 270-1 (Book Review)

CANCER

A community approach to addressing excess breast and cervical cancer mortality among women of African descent in Boston, 338-47 (Practice Article)

The complexity of finding solutions to reducing racial/ethnic disparities in health care outcomes, 348 (Commentary)

Link between agricultural pesticides and incidence of prostate cancer, 481 (News and Notes)

Correlates of sunburn experiences among U.S. adults: results of the 2000 National Health Interview Survey, 540-9 (Research Article)

CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

See also NATIONAL CENTER FOR HEALTH STATISTICS

Epidemiologic clues to bioterrorism, 92-8 (Practice Article)

More American children received health insurance in early 2002, 166 (News and Notes)

Apply federal research rules on deception to misleading health information: an example on smokeless tobacco and cigarettes, 187-92 (Viewpoint)

Health communication ethics and CDC quality-control guidelines for information, 193-6 (Commentary)

HIV/AIDS surveillance and prevention: improving the characterization of HIV transmission, 197-204 (Practice Article)

FDA issues new security guidance: Operation Liberty Shield, 276-7 (News and Notes)

Classification of transmission risk in the national HIV/AIDS surveillance system, 400-7 (Practice Article)

Content and criterion validity evaluation of national public health performance standards measurement instruments, 508-17 (Research Article)

CHILDREN

See also ADOLESCENTS

Child Health USA 2002 released, 75 (News and Notes)

Health of children of immigrants, 75-6 (News and Notes)

The effect of soil abatement on blood lead levels in children living near a former smelting and milling operation, 83-91 (Feature Article)

Fire fatalities among children: an analysis across Philadelphia's census tracts, 115-26 (Research Article)

A statewide Hepatitis B vaccination program for school children in Hawaii: vaccination series completion and participation rates over consecutive school years, 127-33 (Research Article)

The first oral rotavirus vaccine, 1998-1999: estimates of uptake from the National Immunization Survey, 134-43 (Research Article)

Completeness of pediatric TB reporting in New York City, 144-53 (Research Article)

Infants discharged one day after birth do as well as those with longer hospital stays, 165 (News and Notes)

More American children received health insurance in early 2002, 166 (News and Notes)

Asthma prevalence among inner-city Asian

American schoolchildren, 215-20 (Research Article)

Using geographic information systems to assess risk for elevated blood lead levels in children, 221-9 (Research Article)

A partnership to reduce African American infant mortality in Genesee County, Michigan, 324-35 (Practice Article)

Black-white infant mortality disparity in the United States: a societal litmus test, 336-7 (Commentary)

Breastfeeding advice given to African American and white women by physicians and WIC counselors, 368-76 (Research Article)

A closer look at racial/ethnic disparities in breastfeeding, 377-8 (Commentary)

"Megan's Laws" and the U.S. Constitution: implications for public health policy and practice, 379-81 (Law and the Public's Health)

Autism: an emerging public health problem, 393-9 (Viewpoint)

Variations in state-level definitions: children with special health care needs, 434-47 (Research Article)

Kawasaki syndrome hospitalizations and associated costs in the United States, 464-9 (Research Article)

Rapid assessment of the condition of children in Iraq by UNICEF, 481 (News and Notes)

An evaluation of state perinatal community-based programs in Alabama: an overview, 484-6

UNICEF launches study to assess health needs of Iraqi children, 562 (News and Notes)

NHTSA announces "ease of use" child safety seat ratings, 562-3 (News and Notes)

CHILDBIRTH

Infants discharged one day after birth do as well as those with longer hospital stays, 165 (News and Notes)

CLIMATE

Climatic variables and transmission of malaria: a 12-year data analysis in Shuchen County, China, 65-71 (Research Article)

COMMUNITY COALITIONS

Reducing diabetes health disparities through community-based participatory action research: the Chicago Southeast Diabetes Community Action Coalition, 309-23 (Practice Article)

A partnership to reduce African American infant mortality in Genesee County, Michigan, 324-35 (Practice Article)

A community approach to addressing excess breast and cervical cancer mortality among women of African descent in Boston, 338-47 (Practice Article)

COMPLEMENTARY AND ALTERNATIVE MEDICINE

Addressing the potential risks associated with ephedra use: a review of recent efforts, 487-92 (Feature Article)

CRIMINAL JUSTICE SYSTEM

Neighborhood environment, racial position, and risk of police-reported domestic violence: a contextual analysis, 44-58 (Research Article)
